DGS 12 – RE PMS practices

In relation to NHS Dartford Gravesham and Swanley Clinical Commissioning Group, we can confirm

1. **How many PMS practices were there at the start of this review?**

   There were 4 practices.

2. **How many have since switched to GMS?**

   2 practices have since switched to GMS.

3. **How much PMS funding was identified as NOT being linked to extra services and therefore available for redistribution?**

   £24,932

4. **How has the CCG proposed or decided to redistribute this funding?**

   The PMS premium will be ring fenced for primary care and will be included as part of the development of GMS plus contract approach.
