DGS 13 – RE PMS practices

In relation to NHS Dartford Gravesham and Swanley Clinical Commissioning Group, we can confirm

1. How many PMS practices were there at the start of this review?
There were 4 practices.

2. How many have since switched to GMS?
2 practices have since switched to GMS.

3. How much PMS funding was identified as NOT being linked to extra services and therefore available for redistribution?
£24,932

4. How has the CCG proposed or decided to redistribute this funding?
The PMS premium will be ring fenced for primary care and will be included as part of the development of GMS plus contract approach.
