Further to your request for information dated 1 February 2016 the information requested is below:

- **Does the clinical commissioning group (CCG) currently have a nominated lead for palliative and/or end of life care for i) adults and/or ii) children?**

NHS Dartford Gravesham and Swanley Clinical Commissioning Group (CCG) does have a nominated lead for palliative and/or end of life care for both adults and children.

- **Does the CCG have a specific palliative and/or end of life care strategy for i) adults and/or ii) children?**

The CCG does not have a specific palliative and/or end of life care strategy for either adults or children at the current time. However, the CCG is going to be undertaking a full review of palliative and end of life care for both adults and children over the next 12-18 months. Once this review is completed, the CCG will write a new Strategy and commission services in line with the outcome of the review.
