1. With regards to the block contracts commissioned by Dartford, Gravesham and Swanley CCG, as described in my previous FoI request, reference XX136 Sanders DGS, what volumes of activity were anticipated by the CCG when the block contract was commissioned? If different, what indicative volumes were used during negotiations with the provider?

Annual Plan: Day Case 3,712

Elective Inpatient 775

2. What assessments have been made by the CCG about volumes of activity delivered under the contract

April 15 to December 15: Day Case 2,434

Elective Inpatient 430
