Dear

Freedom of Information Request – DGS 116

Thank you for your recent request for information made under the Freedom of Information Act 2000, which was received by NHS Dartford Gravesham and Swanley Clinical Commissioning Group (CCG) on 11 October 2018. The information you have requested is below.

1. **How many people are living with type 1 diabetes in your CCG?** (Total number)
   
   This information is publicly available via the National Diabetes Audit.

2. **How many type 1 diabetic patients in your CCG currently use CGM?** (Total number)
   
   NHS Dartford Gravesham and Swanley Clinical Commissioning Group (CCG) does not commission CGM and therefore do not hold this information.

3. **Does your CCG have a policy on the use and funding of CGM?**
   
   The CCG do not fund CGM.

4. **How is CGM currently funded within your CCG?** (e.g. routinely commissioned/routinely commissioned within the scope of the NICE guidance/ individual funding request/ patient self-funded/hospital funded etc.)
   
   The CCG do not fund CGM.
5. Does your CCG specify CGM systems?

The CCG do not fund CGM.

6. Does your CCG differentiate between CGM and flash glucose monitoring (FGM)?

Neither funded currently.

7. If your CCG funds use of the Abbott Freestyle Libre FGM, how many patients have been funded to date since this was approved?

N/A The DGS CCGs do not fund Freestyle Libre. (this is currently under review).

8. What has been the total cost incurred by the CCG in relation to Question 7?

N/A (see above)

9. How many applications from patients who were self-funding these devices and now wish to apply for local NHS funding via your CCG have you received to date in total?

Zero

10. Of these total applicants, how many patients met the criteria for initiation or continuation under local NHS funding?

N/A (see above)

11. How many Individual Funding Request (IFR) applications were received between 1st April 2017 and 31st March 2018 for CGM?
